

# We can help you to help yourself

## We have the equipment to suit your mobility needs

- Electric Scooters
- Powered Wheelchair
- Manual Wheelchairs
- Walker

We can meet you with any of the above equipment at your car within the centre car parks, local bus stop, Community Transport, or taxi and ensure your return. Please ring on arrival, bearing in mind our opening hours

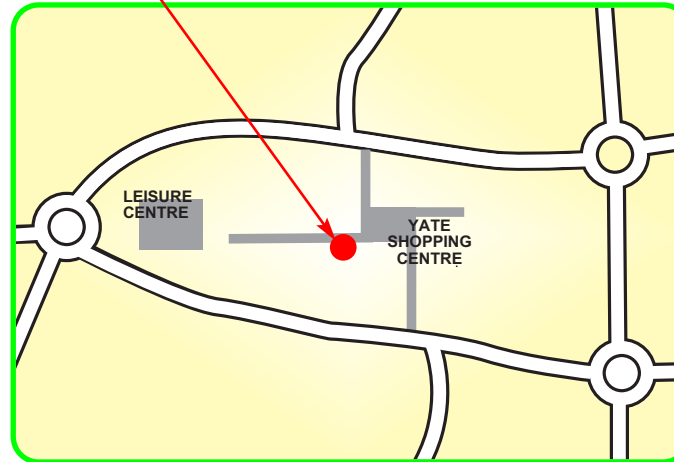

We can temporarily put in safe keeping any additional shopping should your scooter shopping basket become too full

Long term hire can be arranged for the above at a small daily charge subject to availability

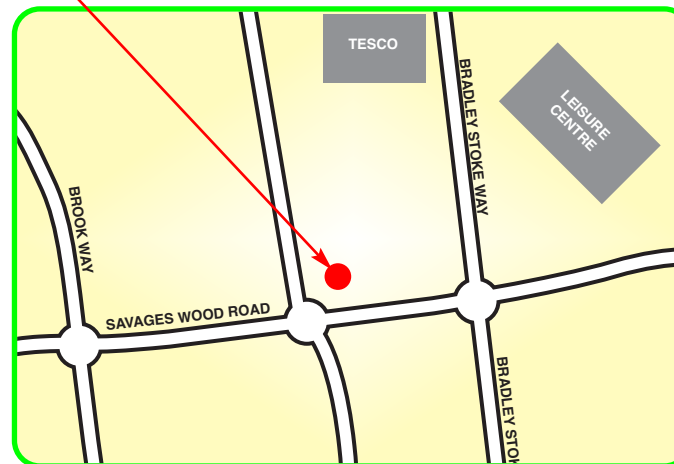

You are free to practice before deciding whether to join.

## Car Parking

There is plenty of disabled car parking available in both shopping centres in close proximity of our base.

We can meet you locally with a scooter/ wheelchair from your car/bus or Community Transport, and also return you.

Please return your scooter/wheelchair half an hour before we close.

Shopmobility South Gloucestershire is a charity and is overseen by a management committee who are totally responsible for its day to day affairs. Our aims are to enable disabled people to take increasing control of their own affairs and to pursue personal choice, to advance and improve their quality of life and to redress the balance between disabled and non-disabled people.
